CHRIST FELLOWSHIP CHURCH

Greetings!

First settled around 1820, Magee began with the arrival of brothers-in-law Arthur Mangum and Phillip Magee, who moved with their families from North Carolina. They purchased land and were soon joined by more pioneers from the Carolinas and Virginia. In 1840, Willis Magee, son of Phillip, built a gristmill on Little Goodwater Creek inside the present city limits.

The Community grew steadily and was incorporated as a village on February 25, 1900.

Today, Magee is a thriving city of nearly 5,000 that boasts a diverse mix of businesses and services that form the bedrock for the economic, social, and civic strengths of our community. Magee steadfastly approaches the future with a progressive attitude while being mindful of preserving the friendly hometown atmosphere we all hold dear. We are delighted you have decided to become a part of us.
